## Enjoy the power of a healthy smile

Your dental health is key to your overall health. Healthy teeth and gums allow you to eat better and feel better.

Preventing and treating dental problems are important at any stage of life. You may feel more tooth sensitivity or have dental problems as a result of certain medications or health conditions. Regular oral exams not only keep your mouth healthy – they can also help spot medical problems.

Advantage Plus makes it easy to smile, because you know you're getting the dental care you need.

### Health tip:

#### **Reduce your risk of infection**

Brushing and flossing are important for healthy teeth. They also help reduce the risk of infection. Bacteria can travel from the mouth to other parts of the body, causing infection. This is a major cause of joint replacements failing. With proper oral health, including brushing, flossing, and regular checkups and cleanings, you can help keep your whole body healthy.

# Frequently asked questions

Advantage Plus dental benefits are provided through the DeltaCare® USA Medicare plan offered by Delta Dental of California.

## Q: What is the DeltaCare USA Medicare plan?

**A:** The DeltaCare USA Medicare plan, offered by Delta Dental, is a dental HMO plan with predictable costs and convenient access to a large network of general dentists. Under this plan, you can select a primary care dentist from the DeltaCare USA Medicare network. Key features of the plan include no deductibles, no annual maximums, and no claim forms to submit when you visit an in-network provider. Additionally, all services have fixed copays, which allow for predictable out-of-pocket costs. See Chapter 4 in your Senior Advantage **Evidence of Coverage** for more information.

## Q: When can I begin to use my Advantage Plus dental benefits?

**A:** Once your enrollment in Advantage Plus is confirmed, you can begin using your dental benefits on your effective date. You'll also get a Welcome Letter with a new ID card from Delta Dental. Please note that you don't need to take your ID card with you to get services.

You can schedule an appointment with an in-network dentist who is currently accepting new patients. They will automatically become your selected provider when your claim is processed.
- Create an online account at **[www1.deltadentalins.com/kaiser-ca](http://www1.deltadentalins.com/kaiser-ca)**, and preselect your dentist through Delta Dental's member portal. Then make an appointment with the dentist you selected.
- Call Delta Dental if you need help with finding and selecting a dentist at **1-877-644-1774**:
  - **During enrollment:** October 1, 2025, to February 15, 2026, 7 days a week, 8 a.m. to 8 p.m.

**Q: When does my dental coverage apply?**

**A:** To use covered services, you must get care from the dentist you selected or the dentist that was assigned to you. If you didn't choose a dentist or get assigned to one, you may seek care from any DeltaCare USA Medicare provider. Once this provider submits a claim on your behalf, they'll automatically become your assigned provider. Services provided by a specialist preapproved by Delta Dental or emergency services are exceptions. Any other treatment isn't covered under this dental program.

**Q: What happens if I have an emergency?**

**A:** If you need emergency services, you should contact your selected dentist whenever possible. If you haven't selected a dentist yet and you need emergency services, call Delta Dental's Customer Service Department at **1-877-644-1774 (TTY 711)**, and they'll help you find a dentist:

- **During enrollment:** October 1, 2025, to February 15, 2026, 7 days a week 8 a.m. to 8 p.m.
- **Outside of enrollment:** February 16, 2026, to September 30, 2026, Monday through Friday, 8 a.m. to 8 p.m.

For more information about emergency benefits, see your Senior Advantage **Evidence of Coverage**.

**Q: Can I get a second opinion?**

**A:** If you disagree with or question your selected dentist's diagnosis or treatment plan, you may ask for a second opinion. Delta Dental may also ask you to get a second opinion to confirm that your contract dentist's treatment or your use of benefits is necessary and appropriate. For more information, see your Senior Advantage **Evidence of Coverage**.

3. Get your One Pass member code on the dashboard page.
4. Click "Fitness" and then "Find gyms" to search for fitness locations near you.

To get your member code, go to **YourOnePass.com** and enroll in the program. Then you can take your member code to the participating fitness location of your choice within the One Pass network. ## Hearing well is living well.

With good hearing, you're more confident, secure, and connected to your world. Hearing benefits from Advantage Plus can help make sure you're not missing the sounds and conversations that make life more fulfilling.

Millions of Americans have some degree of hearing loss. Among people over 50, it's the third-most-common health issue, behind heart disease and arthritis. But now more than ever, hearing loss doesn't mean that your quality of life must change. Today's hearing products are smaller, more effective, and more comfortable than they were in the past.

### Health tip:

#### Quick hearing self-check

If you think you have a hearing problem, get your hearing checked at a **Kaiser Permanente Hearing Center near you**. Use these questions for a simple self-check of your hearing health:

- Do you often ask people to speak up or repeat themselves?
- Do you have trouble following conversations in a noisy room or understanding speech on the phone?
- Do you have trouble hearing the sound of your telephone, alarm clock, or doorbell?
- Do others complain that your TV or stereo is too loud?

# Frequently asked questions

Hearing services for Kaiser Permanente members are provided by our Kaiser Permanente Audiology Department.

**Q: Which hearing tests are covered?**

**A:** Your current Kaiser Permanente Senior Advantage plan covers diagnostic hearing tests to check if you need hearing correction or to make a diagnosis when you think you're having a hearing problem. You can get a diagnostic audiology test at the copay that's described in your Senior Advantage **Evidence of Coverage**. If you think you're losing your hearing, call the Kaiser Permanente Audiology Department. Hearing aid evaluations to help your hearing care professional recommend the correct hearing aid for you and confirm that the aid matches your prescription are covered at no extra charge. Kaiser Permanente Audiology will also test your hearing aids at no extra charge to make sure they're working properly.

**Q: If I have hearing loss, what is my coverage for hearing aids?**

**A:** If you're a Kaiser Permanente member with the Advantage Plus package, you'll get an **\$800** allowance toward the purchase of a hearing aid in each ear. This allowance is available once every 3 years. If the hearing aid you purchase costs more than the entire allowance amount, you'll need to pay the difference.

**Q: Where can I get my hearing aids?**

**A:** To use your hearing aid benefit, you must purchase the aid at any of the Kaiser Permanente Hearing Centers in Northern California. To find a location near you, see **page 16** or visit [kphearingcenters.com/our-centers](https://kphearingcenters.com/our-centers).

**Q: Do I need a referral or special claim form to use my hearing aid benefit?**

**A:** No. You don't need referrals or claim forms for hearing aids.

**Q: Are there any limits to the type or style of hearing aid I can get?**

**A:** To use your hearing aid benefit, you may purchase your hearing aids at any Kaiser Permanente Hearing Center. Your Kaiser Permanente hearing care professional will help you choose hearing aids that best meet your needs. A complete range of technologies and styles is available, and your test results and recommended treatment options will be explained to you.

**Q: Does this benefit cover over-the-counter (OTC) hearing aids?**

**A:** No. The Advantage Plus hearing aid benefit covers hearing aids prescribed for your level of hearing loss. Contact your local Kaiser Permanente Audiology Department or go to [kphearingcenters.com](https://kphearingcenters.com) to learn more about possible OTC hearing aid options.

**Q: What if I have a medical problem with my hearing?**

**A:** If the Kaiser Permanente hearing care provider finds a medical problem during your exam, they'll update your primary care doctor and help you get the correct medical follow-up.

**Q: What if I need service or repairs on my hearing aids?**

**A:** If you bought your hearing aids at a Kaiser Permanente Hearing Center, you have a limited warranty for a 3-year period. Batteries, repairs, and accessories aren't covered under this benefit.

## Focus on a healthier you

The gift of sight can enhance your quality of life. But as you age, your eyes and vision naturally change – so it's important to have an eye exam every 1 to 2 years.

At Vision Essentials by Kaiser Permanente, our ophthalmologists and optometrists are here to help. With specialists in vitreo retina, medical retina, corneal disease, glaucoma, oculoplastics, and low vision, you can get care that's focused on your needs.

And if your doctor prescribes eyeglasses or contact lenses, you don't have to go far. At Kaiser Permanente Optical Centers, you can have an eye exam and shop over 1,000 styles in the same visit. Use your Advantage Plus optical benefit to buy prescription eyewear that works best for you and your lifestyle.

### Health tip:

#### Better night vision

If your night vision isn't what it used to be, keep these helpful nighttime driving guidelines in mind:

- Drive more slowly so that you have more time to react.
- Keep your windshield and all the lights on your car clean.
- Ask your eye care professional about getting anti-reflective coating on your eyeglass lenses to cut down on glare.
- Check with your doctor to find out if any medications you're taking can affect your night vision.

# Frequently asked questions

With Advantage Plus, you can get great eye care at Vision Essentials by Kaiser Permanente, which is located conveniently at most Kaiser Permanente medical offices. That means you can have an eye exam and purchase eyeglasses or contact lenses with your new prescription in the same visit. For information about vision services (including limitations and exclusions) covered by Senior Advantage and Advantage Plus, see Chapter 4 in your Senior Advantage **Evidence of Coverage**.

**Q: What is my coverage for eyeglasses and contact lenses?**

**A:** Kaiser Permanente members enrolled in Advantage Plus will receive a **\$300** allowance to apply toward the purchase of prescription eyeglasses or contact lenses. The allowance renews every 2 years from the last purchase date and is only redeemable at Kaiser Permanente Optical Centers. Your balance doesn't carry over, so we recommend using your entire allowance in one transaction to get the most out of your vision benefit.

**Q: After I first use my vision benefit, how soon can I use it again?**

**A:** You can use your benefit again 2 years after the date the benefit was last used.

**Q: What does Vision Essentials by Kaiser Permanente offer?**

**A:** Make an appointment with our experienced ophthalmologists, optometrists, and specialists to check your vision and help manage your eye health. If you're prescribed eyeglasses or contact lenses during your visit, you can browse and try on any of our 1,000+ frames on display. Our opticians are available to help with frame styling and lens decisions. You can also visit **kp2020.org** anytime to browse and purchase eyewear with your benefit. Plus, if your prescription changes more than 0.50 diopters within 90 days of your order, you can get replacement lenses at no extra cost.
